Preservation of Oxbridge privileges

From Mr Duncan Fallowell

Sir, In the September issue of *Oxford Today*, the official university magazine, the editorial introduction to a survey of new Oxonian MPs begins: "It is a healthy sign that the proportion of MPs educated at Oxford and Cambridge is in decline ..."

I find this death wish in one of the two most successful English institutions quite terrifying. And if the editor appears to consider the influence of Oxford on national life unhealthy, why doesn't she edit something else?

Yours faithfully,
DUNCAN FALLOWELL,
Leamington Road Villas, W11.
