Smoke-free pubs

□ WE finally have a minister proposing to outlaw smoking in bars, among other public places, and the smoker in me 1.

Having lived in California, I experienced first-hand its ban on smoking in public places. Though I expected this to ruin my trips to the pub, I found it made it far more pleasant. Clothes worn to the pub for an hour could be worn again the next day, the number of cigarettes I smoked reduced and I was no longer forcing others to inhale my emissions.
