Jet-setters get the needle

The new Sofitel hotel opening this week at Heathrow's terminal five will be offering guests all the usual luxuries: fine dining, Egyptian cotton sheets and Botox. Botox? A Sofitel guest is most likely in town on business and as they have passed through terminal 5 good chance their luggage has gone astray. In short, this person is very stressed. As we know in times like these, though, showing signs of stress can lead to grave assumptions about your health or, worse, that of your firm. So a few jabs followed by a tasty drink and, well, you're smiling.
