### Say no to Speedos

Less than 1 percent of the male population can get away with wearing Speedos — Olympic swimmers, Armani models and so on — but pasty Brits who last went to the gym in January? We think not. So we're right behind fun park Alton Towers which has banned 2 from its water park and thus spared us all from a fate worse than death-by-Lycra. The opposite to *nos amis* over the Channel, who swing the other way and ban baggy swim shorts in their public pools.
