**We need a new Bond**

I have never read a more self-serving and annoying interview than last week's with Daniel Craig. The actor playing Bond talks himself up with every word uttered but makes no mention, of course, of recent release 'Dream House' – surely a contender for The Worst Film Ever Made. Craig is a charmless individual with insincere eyes. Bond? Yuck! The filmmakers will need every penny of the £200 million they are spending on the next Bond movie to make Craig look half acceptable.
