insurance  
that helps  
you stay  
healthy**

### **Would you like to end up paying nothing for your gym membership?**

PruHealth insurance wants to help you stay healthy and save you money. That's why when you take out a health insurance policy with us, we'll subsidise your membership to Cannons, LA Fitness and most UK Virgin Active gyms.

#### **Go twice a week and soon you could go for free.**

Depending on how often you go, every three months we'll work out how much you'll save for the next three months. For example, if you go twice a week or more your membership to Cannons or LA Fitness standard health clubs will be free – and will start from £5 a month for Virgin Active health clubs.

And even if you go less than twice a week, you should still make savings on the retail price.

#### **Cover at a price you control.**

Every year we'll give you a guaranteed No Claims Bonus of 25% of your current premium towards the cost of renewal. And that figure could increase to as much as 50%, 75% or even more if you look after your health with us throughout the year.

Whatever policy you choose you'll receive top quality cover - indeed, our Comprehensive Plan offers more cover than any other equivalent plan in the UK. To find out more about the health insurance that rewards your efforts to
